# FRESH PARKS - A LAND MANAGEMENT

In the past 20 years, Madrid, Spain experienced great urbanization, but due to economic crisis and bad politics, many of its construction projects were abandoned, leaving a high unemployment rate, and lack of green connections.

This project looked through the lens of corporation, municipality and co-

## CONCEPTS

1. Green Infrastructure  
2. Urban Regeneration  
3. Public Space  
4. Community Engagement

5. Sustainable Development  
6. Social Inclusion  
7. Environmental Quality  
8. Urban Resilience

9. Cultural Heritage  
10. Smart City Solutions

11. Digital Transformation  
12. Innovation Ecosystem

13. Circular Economy  
14. Green Finance

15. Urban Mobility  
16. Smart Infrastructure

17. Digital Governance  
18. Data-Driven Decision Making

19. Smart Urban Planning  
20. Digital Urban Design

21. Smart Urban Management  
22. Digital Urban Services

23. Smart Urban Infrastructure  
24. Digital Urban Resilience

25. Smart Urban Mobility  
26. Digital Urban Connectivity

Urban Planning and Design

- Downtown redevelopment, new centrality strategic development, residential district planning
- 
- Preservation planning of historic town or site

Landscape Architecture

- Industrial sites ecological repair, large scale productive and recreational landscape design, adaptive planting
- 
- 

Property Development

- Site evaluation and market study
- Pencil-out model, property appraisal, huf model, Pro Forma

^</> > ^

Design and Drawing

- Analysis, master plan, section, elevation, construction drawings with AutoCAD, Illustrator, Photoshop, Sketch and Color pencil
- Perspective rendering and 3D modeling with Sketchup, Rhino
- Laser cut file preparation, model making
- Geographical and spatial analysis with Arcmap and Arcscene
- Presentation file preparation with Indesign, Illustrator, Adobe Acrobat
- Animation with Rhino bongo, topography extraction with Google earth and Rhino Terrain

Text, Data and Language

- Writing and editing with Microsoft Word, data analysis with Excel, comfortable with Mac system
- Native in Mandarin, fluent in English

h d/KE

Master of Landscape Architecture (3 yrs), University of Pennsylvania (expected in 05.2014) 08.2011-present, Philadelphia, USA  
 Bachelor of Engineering (5 yrs), Southeast University (major in Urban Planning) 09.2006-06.2011, Nanjing, China
